

Our Easy 5 Step Fundraising Program

Step #1 –

Complete the **Purchase Agreement** and **Tax Exempt form** (if applicable). Your start date should be at least 10-14 days later than when you return these forms so we have time to get your starter kit to you. Please allow yourself a few days to organize your orders and money at the end of your fundraiser before turning in your orders to Good Gollys. We require a minimum 10-14 day turnaround time to complete your order.

Step #2 –

Once we receive your completed **Purchase Agreement**, we will send you a starter kit which includes the following:

- *an envelope with a brochure and order form for each participant
- * tasting samples of the products you will be selling
- * extra copies of the brochure and order form for the leader
- * **Incentive Offers**

Step #3 –

Meet with your participants to kick off your fundraiser and build the excitement. The following key points should be reviewed with each participant:

- Start and end date of the fundraiser
- Date that all order forms and money must be returned to you
- **REMINDER THAT ANYONE PAYING BY CHECK SHOULD MAKE THE CHECK OUT TO YOUR ORGANIZATION – NOT GOOD GOLLY’S!!!**
- Review Incentive Offers

Step #4 –

Begin your fundraiser and watch the profits roll in!!

Step #5 –

At the end of your fundraiser, gather all order forms and money from each participant and review for accuracy. Return a copy of each order form to Good Golly’s. When we receive these order forms, we will create an invoice that will be emailed to you detailing the total cost of your order (you will be charged 7% sales tax if we have not received a tax exempt form) and any incentives your organization has qualified for. We will then deliver or ship your order to you as soon as possible (within 10-14 days). Your order must be paid in full at time of delivery or on the date shipped.

If paying by check, please make your check payable to Edibelles, our parent company.

Please call 855-334-2355 ext. 3 or email sales@goodgollys.com with any questions!
